

Meals of Love To-Go Guidelines

- Meals are to be prepared at the Ronald McDonald House (located at 3540 Washington Ave.)
- We ask that dinner is delivered to The Women's Hospital (located at 4199 Gateway Blvd., Newburgh, IN) by **6:00 PM**. You may arrive at the Ronald McDonald House as early as you think is necessary to prepare the meal, assemble and transport.
- Please call to notify us, at least 2 days in advance, if you are unable to deliver the meals and we will plan to deliver them for you.
- Plan to prepare food for 12 people.
- For Meals of Love To-Go, we request easy "To-Go" meals such as: sandwiches, chips, microwaveable mac & cheese, and individually wrapped dessert.
- When arriving at The Women's Hospital, drive to the front door and park under the canopy. After walking in the main front door, please check-in at the information desk in the main lobby and let them guide you on what you need to do. Most of the time, the meals will be taken to the third floor where the parent's guest rooms are located. There is a cart, by the information desk in the front lobby, to take the meals to the family room area.
- Sign up through our Meal Train calendar at: www.rmhcOhiovalley.org/mealstogo. If you are with a group, organization or company, please sign up under that name.
- We have 3 kitchens fully equipped with pots, pans, baking sheets, and cooking utensils. We have a pantry with some cooking essentials, but ask that you bring all necessary ingredients. Please keep in mind you may be sharing the kitchens with other families or a group cooking for House families at the same time.
